

To You It's a Ream of Paper. To The Earth It's Another Tree. For Every Ream of Paper You Buy, *Double A* Will Plant a Tree.

You need more paper. The Earth needs more trees.
Let's do both!

From **November 1, 2019 through February 29, 2020**,
every time a ream of **Double A** Paper is purchased,
you can have a tree planted.

One Dream, One Tree is **Double A's**
program that allows you to be part
of the fully sustainable process
by planting a tree for every ream of paper you buy!

And when you participate in **One Dream, One Tree** you
can enter to win a dream trip for two to Thailand!

Participating will be simple
on onedreamonetree.com which
will launch in November. Once you
register your account and plant
your tree, you'll be able to see
updates on what your tree
looks like through its first
year of growth.

Time is limited – our goal is
to, together, plant 500,000
trees by **February 29, 2020**
so let's get started!

For full sweepstakes details, rules and regulations, visit www.onedreamonetree.com starting November 1, 2019.
Sweepstakes is void where prohibited. **Double A** will plant up to 500,000 trees in Thailand during the duration
of the campaign.

Printed on 20lb **Double A** Paper.
