

# perfect fit<sup>®</sup>

## Envelopes

### CAPABILITIES

From small envelopes to large mailers we can do it all and aren't limited to standard sizes.

- Letterpress die cutting, high die cutting, and web manufactured products
- Boutique and high-speed manufacturing
- Inline flexography and jet printing

### BENEFITS

Our WCP Envelope team is here to support commercial printers and end user customers.

- Custom manufactured to match your requirements and needs
- Custom windows and folding
- Can manufacture using various finishes, calipers and substrates

### LEAD TIMES

Preschedule your next order to fit your customer's mailing requirement.

Lead time will vary based on substrate, requested quantity, and production schedule. Please contact our team for an estimated ETA for your order.

## Let us find your **perfect fit**

We are an extension of the commercial printer and produce custom envelopes to support their customers in the market. Envelopes don't have to be boring. At WCP, we produce envelopes and mailers to reflect unique brands, personalities, and requirements. Perfect Fit Envelopes can be used for anything, not just what's in the mailbox. From small envelopes to large mailers, we do it all.

Perfect Fit is the custom products we produce in-house: Sheets, Rolls, Envelopes, and Prototypes. Contact our team to get started.
