Prototypes

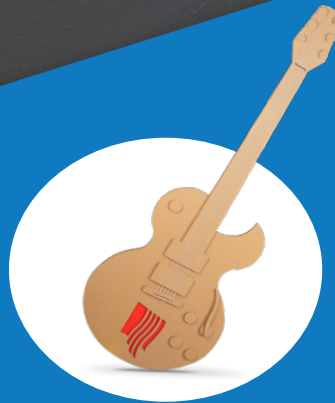

CUSTOM PACKAGING DESIGN

Our team can help you design a structure around your product. Designing in-house allows us to save you money from start-to-finish.

Corrugated Options:

- 32 ECT B, C, E Flute
- 44 ECT C Flute
- 51 ECT BC DW

QUICK TURN PROTOTYPES

Work with our on-site structural design center to build custom prototypes fast. Design, experiment, and iterate to create a solution that is a perfect fit.

- Local design & development
- 24-48 hour turn around
- On-the-fly adjustments

SHORT RUN MANUFACTURING

Minimums as small as ONE. We can run your small projects on-site and on-demand.

- Custom Shipping Boxes
- Retail Display Packaging
- Food & Beverage Packaging

Let us find your **perfect fit**

WCP offers structural design assistance. Our dedicated employees help you design the structure for your next project. By utilizing Perfect Fit Prototypes, you can see and feel your custom packaging design structure before it goes to production and ultimately reaches your customers. This saves you time, money, and frustration.

Perfect Fit is the custom products we produce in-house: Sheets, Rolls, Envelopes, and Prototypes. Contact our team to get started.
