WE DO NOT KNOW JUST WHEN AN INGENIOUS FISHERMAN CONCOCTED THE FIRST IMITATION OF A NATURAL INSECT, BUT THERE IS A RECORD OF ANCIENT MACEDONIANS USING LITTLE CLUMPS OF RED DYED WOOL TIED TO A HOOK TO LURE FISHES WHICH MAY HAVE BEEN TROUT.

WE MAY NOT KNOW THE EXACT DAY WE FIRST SOLICITED YOUR BUSINESS BUT WE DO KNOW THAT WHAT WE OFFER IS NO IMITATION. SINCE 1930 WEST COAST PAPER COMPANY - SEATTLE HAS BEEN CONTINUOUSLY BUILDING INVENTORIES AND EXPERIENCE TO ENABLE US TO BETTER SERVE YOU OUR CUSTOMERS. WE APPRECIATE THE SUPPORT YOU HAVE GIVEN US. WE WILL CONTINUE TO USE OUR INGENUITY TO HELP YOU.

WE ARE ALWAYS FISHING FOR YOUR BUSINESS.
